## LOVE MYSELF

NEW YORK, 24 September 2018-  
Bts and Big Hit  
Entertainment, their label,  
have started a collaboration  
with UNICEF, through the  
new LOVE MYSELF  
campaign: the goal is help  
to create a better place in  
the world, full of love, in  
which live, and the project  
also embraces the  
#ENDviolence campaign  
already started by the  
association.

On that day Kim Namjoon, also known as RM the leader of the group, spoke of the fact that “true love first begins with loving myself”. He told his story and how he couldn’t accept himself and how towards nine, ten he starting care about the people’s judgment “My heart stopped and my eyes closed shut. So, like this, I, we all lost our names, we became like ghosts”.

“I have come to love myself for who I was, who I am and

“We have all learned to love ourselves, so now I urge you to “speak yourself. I would like to ask all of you. What is your name? What excites you and makes your heart beat? Tell me your story. And I want to hear your conviction. No matter who you are, where you’re from, your skin colour, gender identity:speak yourself. Find your name, find your voice by speaking yourself. I have many faults and I have many fears, but I am going to embrace myself as hard as I can, and I’m starting to love myself, little by little. What is your name? Just

Malala yousafzai

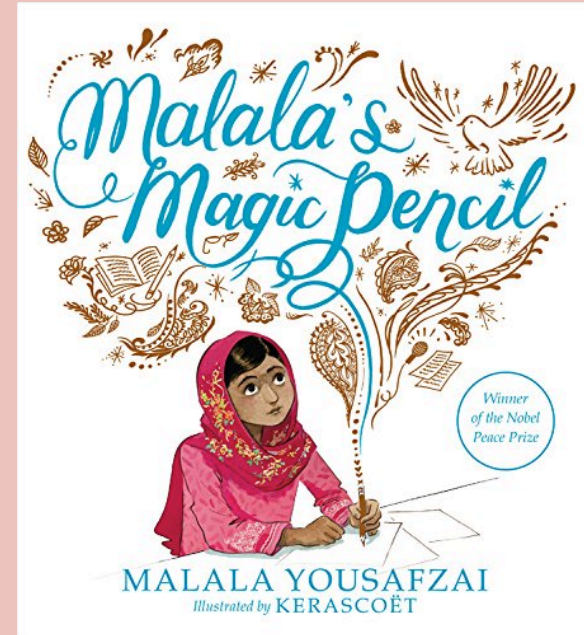

On October 9, 2012, the then 15-year-old (today she is 23) Malala Yousafzai was shot in the head by the Taliban when she was on her way home from school. A punishment for taking a seat, raising her voice and daring to stand up for girls' rights. But the bullet couldn't silence her. Malala miraculously survived and has since become a symbol of the fight for girls' right to education. Malala's fight has created a global movement for girls' right to schooling with the support of the UN. In 2014, she received the Nobel Peace Prize and thus became the youngest peace prize winner in history at the age of 17.

The attack on Malala showed how controversial the issue of girls' right to education is still in parts of the world. How girls are discriminated against and silenced every day, precisely because they are girls. The assassination attempt also showed how important it is for the international community to stand behind the millions of girls who - despite the fact that education is a human right - fight daily with the risk of their lives to go to school.

Malala has written five books, including "I am Malala" How One Girl Stood Up for Education and Changed the World and "Malala's magic pencil"

The attack on Malala prompted Pakistan's National Assembly to legislate in 2012 on girls' right to education.

Malala is one of over two million people who reached out in support of Plan's campaign Because I am a Girl.

A famous quote by Malala: "A child, a teacher, a pen can change the world."

In April 2017, Malala was appointed UN Ambassador for Peace. She will focus on girls' right to education.

## •A poem about PEACE•

*Peace takes time. It needs a history of giving and receiving, laughing and crying...*

*Peace. Why can't we reach to peace?*

*I've asked myself a thousand times.*

*I've answered it a thousand more.*

*Sometimes, peace hurts.*

*Sometimes, peace makes you happy*

*But*

*Sometimes, peace makes you so scared.*

*I wait for the peace to finally come,*

*Like an anxious mother waiting for her son.*

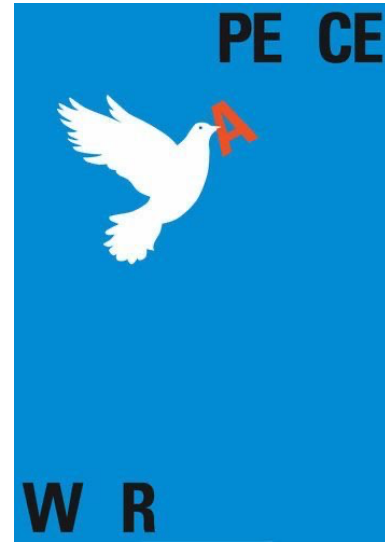

*Like an eternal fighter,*

*striving for peace,*

*struggling for the happiness.*

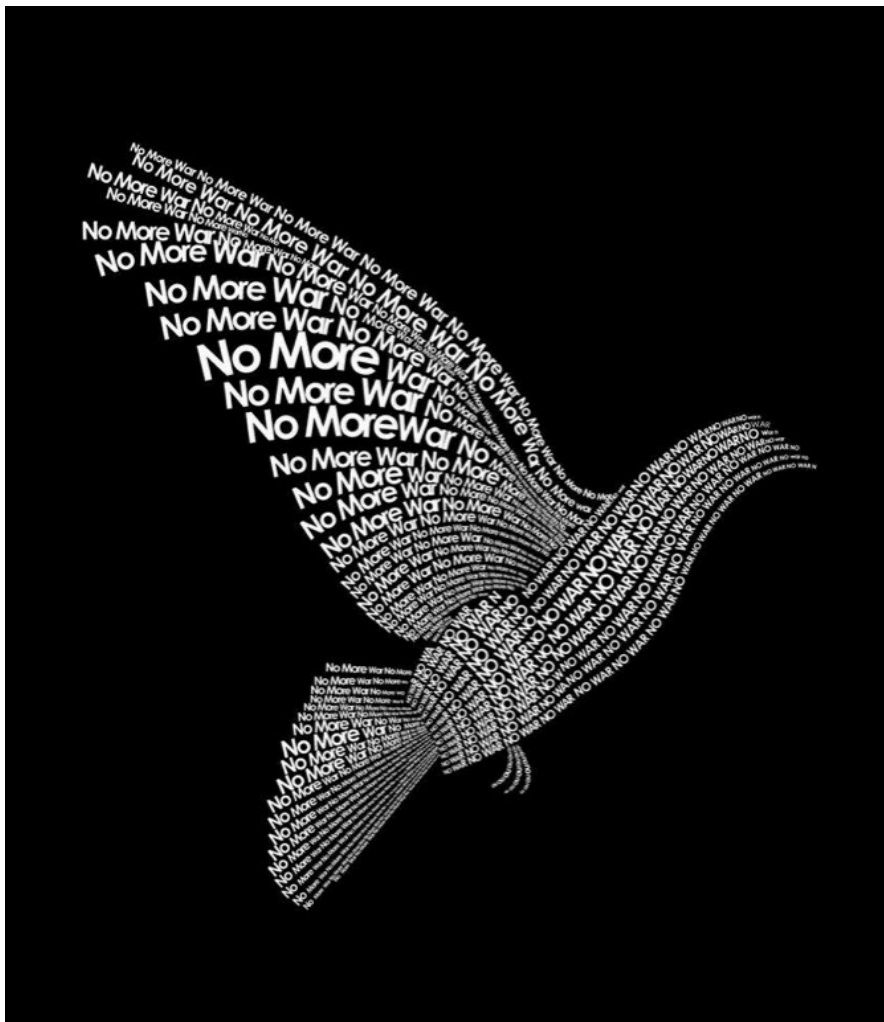

*To make the big difference.*

*And see the real sunset in the world!*

## World peace poem

When wars and conflicts totally cease,  
In our world, there shall be peace  
People must learn to get along  
Not blame others, for being wrong

They fight for control, fight for land  
Some just need a helping hand  
We must rid ourselves of vanity  
And embrace peace, through humanity

Wars make children so much tougher  
Lose their innocence, while they suffer  
We should fight for peace instead  
Love not war, we should spread

GIVE PEACE A CHANCE.  
ULTIMATE MIX.  
HD OFFICIAL MUSIC VIDEO, 2003.

"Give peace a chance" is a 1969 single. The concept this song wants to express is that everyone focuses on their life, without trying to apply themselves for a common purpose: ending wars. This song becomes an invitation, an attempt to try to change the human mentality. This song contains thousands of ideals, questions, responses, emotions.

**After all, it's all so simple: let's give peace a chance, let us give everyone the opportunity to live in harmony.**

Mrs Sini

## Peace is the key!

- Peace it must be between people,  
Do That! It's very simple!  
We must be united even if it's peace,  
Otherwise, friends and family will we miss.
- We are united regardless of appearance.  
That's right! There are no apparent!  
Make the world a little space,  
Make it a better place.

poem about peace

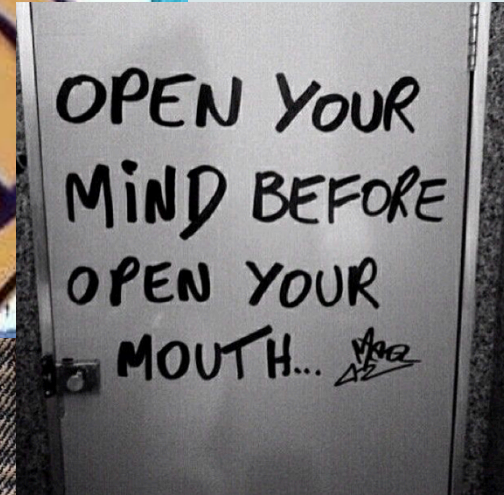

We could restart the world,  
without this feeling  
that consume us,  
destroy us, until  
we become small.

We should love ourselves  
for who we are  
even we are not perfect.

Breathless, without tears  
now consumed by too much pain.  
So much hate has been  
inflicted on me  
that i can't feel nothing.

Tell me your story,  
I will listen to you  
without judging.  
Now count with me  
1, 2, 3 feel better?

## What Peace means for me

Peace for me means a form of respect for human rights or it also means understanding between people (political, social) or maybe physically or morally, in the case of that situation. In my opinion, peace is a form of understanding between people, and thus we can understand that we must always be united, for each other.

In some countries, peace is not always with them, for example: **Racism** in U.S.A, this case was a case that killed a lot of people, just by the fact that in the U.S.A there are also black people. Formed and peace between them. At some point, peace was formed between them. I think this is a good example to understand that there must always be peace between people, otherwise the inevitable will happen.
