## POEM TOLLERANCE

**"I don't like the word tolerance at all, but I haven't found any better."**

**"Tolerance has never caused a civil war; intolerance has covered the land with massacres. "**

**"Accepting is not loving. You love a person because he or she has lovable traits, but you accept anyone just because they are alive and human. "**

**"I believe with all my heart that civilization has produced nothing more beautiful than a man or woman who thinks and practices true tolerance."**

## *Tolerance*

*'It is a foolish thing,' said I,  
'To bear with such, and pass it by;  
Yet so I do, I know not why!'*

*And at each clash I would surmise  
That if I had acted otherwise  
I might have saved me many sighs.*

*But now the only happiness  
In looking back that I possess -  
Whose lack would leave me comfortless -*

*Is to remember I refrained  
From masteries I might have gained,  
And for my tolerance was disdained;*

*For see, a tomb. And if it were  
I had bent and broke, I should not dare  
To linger in the shadows there.*

*Thomas Hardy*

## To be more tolerant...

We should be more tolerant  
When we meet an ignorant.  
If a man stresses me,  
I will teach him patient, to be!

The new pandemic has made us even more intolerant,  
Because we were more and more annoyingant.  
And we didn't physically socialize between us,  
But maybe we won't get even more nervous!

## The song

This is a song about tolerance between the people. Its name is „*Tolerate it*” and the singer is Taylor Swift. These are the lyrics of the song:

*.Sit and watch you reading with your head low*

*I wake and watch you breathing with your eyes closed*

*I sit and watch you*

*I notice everything you do or don't do*

*You're so much older and wiser, and I*

*I wait by the door like I'm just a kid*

*Use my best colors for your portrait*

*Lay the table with the fancy shit*

*And watch you tolerate it*

*If it's all in my head, tell me now*

*Tell me I've got it wrong somehow*

*I know my love should be celebrated*

*But you tolerate it*

*I greet you with a battle hero's welcome*

*I take your indiscretions all in good fun*

*I sit and listen*

*I polish plates until they gleam and glisten*

*You're so much older and wiser, and I*

*I wait by the door like I'm just a kid*

*Use my best colors for your portrait*

*Lay the table with the fancy shit*

*And watch you...*

Tolerance is the positive and cordial effort to understand another's beliefs, practices and habits without necessarily sharing or accepting them.
