

Project meeting in Enna, `Sicily, Italy

14th of February-19th of February
2022

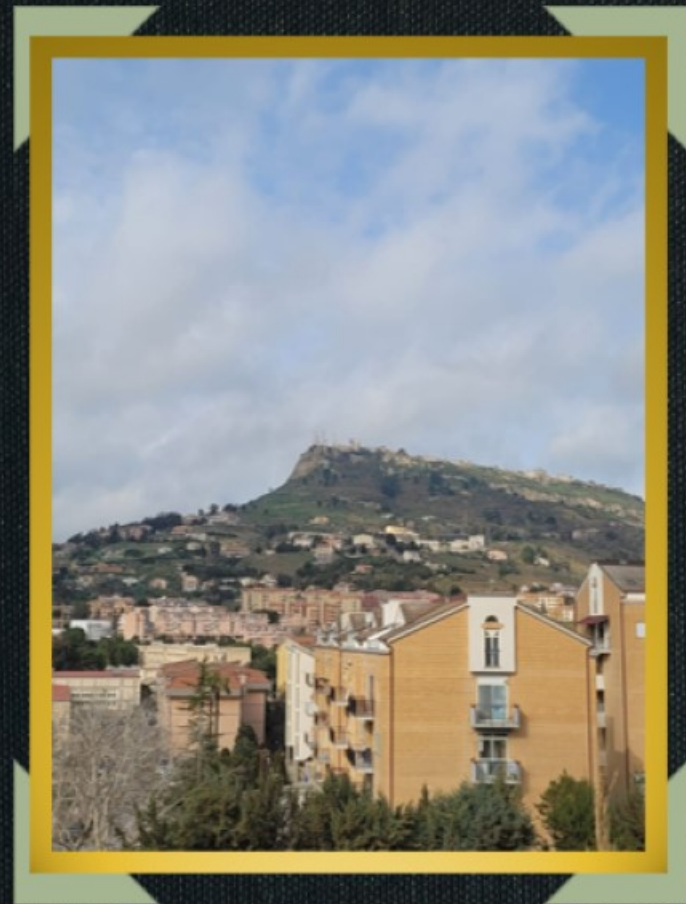

Day 1.

In the first day, we were warmly welcomed by the hostess, with traditional music and snacks. We visited a modern school and made beautiful friendships.

In the afternoon, we had a tour of the city, admired the gorgeous landscapes and had a great time!

Day 2.

In the second day, we took a trip to Catania, had a tour and then enjoyed the free time. We went sightseeing in the city centre and admired the sea.

In the afternoon, we took a bus ride to Taormina and we visited the Greek Theatre.

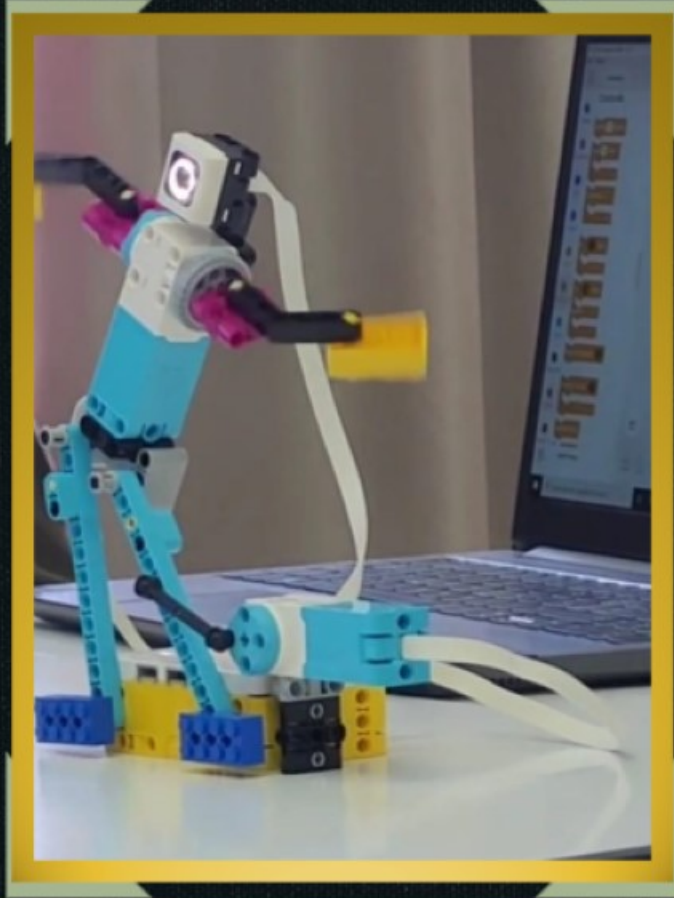

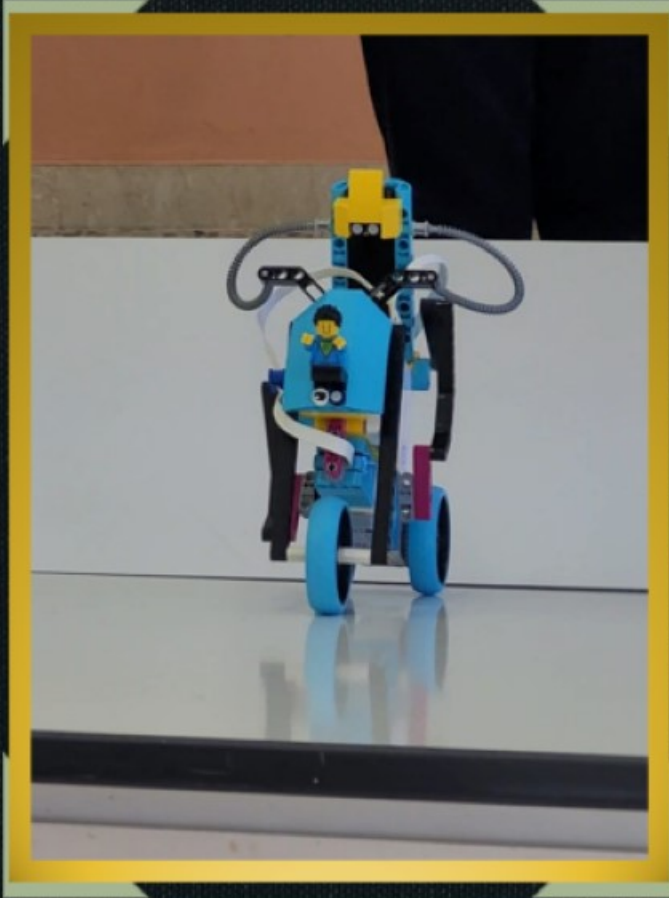

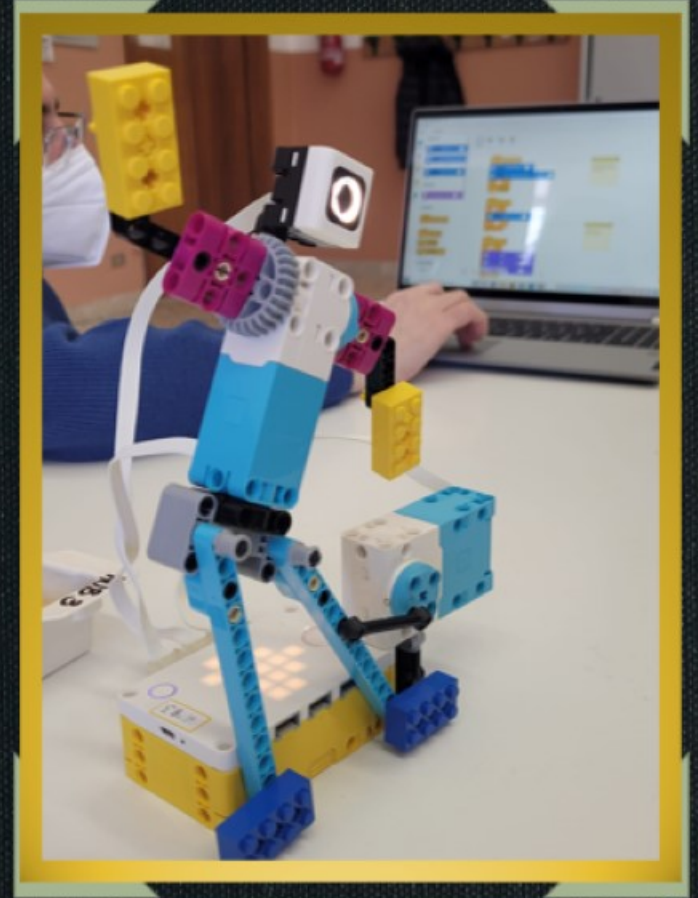

Day 3.

In the third day, we went to Piazza Armerina, where we had a great time exploring the city and shopping specific sweets. ,

In the afternoon, we went to Villa Romana del Casale, a famous museum, which used to be a grand hotel for rich people during the Roman Empire Times.

In the fourth and last day, we went to the school where we built robots.

Then, we went to Castello di Lombardia, where we had a medieval archery activity. In the evening, we went to the biggest outlet on the island.

Erasmus+ travels are one of the best experiences I have ever lived .
It's all about cultural diversity and self-development. The memories
we gather and the friendships we make are unforgettable.

Hope you liked it!
