PROJECT MEETING IN ENNA, SICILY, ITALY

ERASMUS DAYS 2020

ERASMUS DAYS 2021

The main objective of the project is exchange of good practices and aiming to make students and the society open to new cultures and people, to respect different cultures, values and norms, to gain the ability to communicate with different cultures and to solve social problems caused by diversity.

EXPECTED RESULTS

- increasing the awareness level about the negative effects of discrimination, social exclusion, inequality, racism;
- being aware of their own traditions, natural and also those of partner countries;
- development of responsible behavior concerning the life style;
- positive attitude changes assuming responsibilities, collaboration, integrity and team spirit;
- contributing to increase the academic success of students;
- to consolidate the European dimension of education;
- promoting active European Citizenship;
- contribute to enhancing the success;
- changing the education environment in a positive way.
